

WHAT THE ROLE MEANS

Registered Supervisors provide the individual supervision clinicians need for certification as Certified Psychosexual Therapists.

Registration is condition-based: meet the requirements, register, and supervise. IAPST does not evaluate your suitability; responsibility for the quality of your supervision remains yours.

YOUR SIX-STEP PATHWAY

1

BE A CERTIFIED MEMBER

Hold current IAPST Certified Member status. You cannot supervise toward a credential you do not hold.

2

TAKE THE TRAINING

Complete the one-month Certificate in Clinical Supervision, delivered by the School of Sex Therapy, meeting weekly.

3

FIND 3 CLINICIANS

Ensure three clinicians who need psychosexual training enroll in an IAPST-accredited education program.

4

REGISTER ONLINE

Submit the three enrollment confirmations, pay the annual registration fee, and sign the undertaking.

5

SIGN AND FILE

Hold an initial session, sign the official Supervision Agreement, and file it for Executive Officer sign-off.

6

BEGIN SUPERVISION

One hour of the initial session counts. Later hours count after the Executive Officer signs off.

WHAT IT COSTS

YOUR SUPERVISION FEE

You set the rate

BEFORE YOU BEGIN

Find your own supervisees

IAPST and accredited programs do not make referrals or guarantee earnings.

Individual supervision only

Group supervision requires separate authorization through an accredited program.

No supervisee, no registration

Simply register again when you next take one on. There is no penalty or adverse mark.

RENEW EACH JANUARY 1

To remain registered

- ✓ Enroll 1 new clinician through you during the preceding year
- ✓ Maintain active supervision
- ✓ Attend 3 of 4 quarterly meetings live with camera on

MID-YEAR REGISTRATION

Your original 3 enrollments satisfy the first renewal; attend every quarterly meeting held after you register.

DOCUMENTS THAT GOVERN THE ROLE

1 SUPERVISION STANDARDS

Requirements for supervisors and supervisees. If documents differ, these Standards govern.

2 SUPERVISOR'S HANDBOOK

Explains how supervision is conducted. Issued when you register.

3 SUPERVISION AGREEMENT

Signed with each supervisee. It sits beneath the Standards and Handbook.
